## LYNDA NGUYEN - PRESIDENT

Welcome back, Florida HOSA, to the new school year! It's time to kiss the beach towels goodbye and say hellooooo to the books. I want to start off by telling you a little bit about myself. I currently attend Florida State College at Jacksonville as a sophomore. My dream is to major in Chemistry, attend medical school, become a family doctor, and eventually specialize in pediatric oncology. Health care has always been my passion and it's such a great opportunity to be able to experience some of the aspects of the field that we care most about through this organization. HOSA has definitely provided us that chance and, although it sounds cliché, HOSA has done a great deal for each and every one of us. This is exactly why I became so eager to run as a State Officer! HOSA has provided endless opportunities for me,

which is what I want to communicate with people who share the same hopes and dreams. You are all the reason why Florida HOSA strives, each and every year, to keep our membership growing. I want to help keep this growth going because there is no such thing as too many people in healthcare. We have all become a family, and I want us all to continue with HOSA even after we have finished with school. You can make a difference in someone's life! Until next time! <sup>(C)</sup>

## AUGUST 2012In this issue:Image: Image: Image:

## **DIEGO FIGUEROA - PRESIDENT-ELECT**

Welcome back, Florida HOSA! I hope all of you are starting off your 2012-13 HOSA year with a bang! Along with the State Officer Team, I hope to make this year a memorable one. One area I look forward to working on this year is our alumni and increasing the number of members. All of you seniors be on the lookout for the Alumni Police! We are looking forward to recruiting you! Keeping in touch with alumni members of HOSA will propel and encourage current HOSA members to excel in their field of choice. As a parting thought - live in the now, remember the past, and think for the future. Have a great year, FL HOSA!!

ORIDA HOSA

ΗĽ

## RAMFIS MENA - NORTHERN VP, SEC.

Welcome back, Florida HOSA!!!

It's the start of new school year and we all know what that means - time for all of our members to get ready for another year of fun and excitement! We all know that we live in the Sunshine State where the sun shines the brightest, so that means the spotlight is always on us. I know all of us are capable of making this another year of role model performance!

I hope you are ready to hit the ground running! Our State Team will be trying to accomplish a lot of things this year such as getting to know as

many of your smiling faces as we can; you are what makes Florida HOSA shine so bright! On a serious note, I hope to see membership rise and the founding of many new chapters take place, because I know that we can easily be at the top, the state with most members. The most important thing is that we always achieve our goals and have fun, because we are part of the best State Association in the country! I hope all of you are as excited for the things to come as I am!

## CHRISTOPHER DUPHREN - NORTHERN VP, PS/C

Greetings, HOSA members! First, I want to thank you for your support in electing me a State Officer; I am excited to be serving you! Currently, I am a second-year chemistry major at the University of Florida, following a premedicine track. Formerly a Region 9 member, this is my second year in Region 2, and my fourth year in HOSA. As I begin my journey as your State Officer, I would like to welcome back all our returning HOSA members. And to our new members, you are now a proud part of a widely recognized student-led health care organization; and thanks to your membership, we will only grow stronger. In the spirit of making our organization better, the new State Officer team, guided by the Florida HOSA State Office, will focus on increasing our membership for the 10<sup>th</sup> year in a

row. We will work together with you to have another great year. As a postsecondary member, I would like to pay special attention to postsecondary chapters. Increasing recognition of HOSA on college campuses will give incoming

freshmen the opportunity to continue their membership in HOSA, keep formerly built networks alive, and build new ones. I would like to encourage graduating seniors to stay with HOSA as Members At-Large if there are no current HOSA chapters at the institution they will be attending. Maybe you can even start a new chapter at your college. Once again, I am looking forward to an exciting year as your State Officer, so let's all make it memorable!

## ASTRID LEONARDO - SOUTHERN VP, SEC.

Welcome back, Florida HOSA! <sup>(C)</sup> It's that time of year when we all go back to school and of course, reunite as a HOSA family. I hope all of you HOSA members have had a wonderful summer filled with excitement and fun. Get ready for a great HOSA year!

Let me tell you about myself. Currently, I am a freshman attending the University of Florida with a career goal of becoming an OB/GYN physician and delivering health care around the world. I am a very determined person and I have high goals in life which I constantly strive to achieve. I deliver 100% effort towards every responsibility, task, or goal that is placed before me.

HOSA is extremely important to me, and I am beyond excited to serve all of you as one of your State Officers. HOSA has helped me grow as a leader, as well as a person. Therefore, I hope to make an impact on Florida HOSA by increasing membership, promoting contribution, and especially developing leadership, skills and knowledge in every HOSA member, because you all make HOSA the prestigious organization that it is!

I can't wait to see you all at the Leadership

Development Conference (LDC), State Leadership Conference (SLC), and regional conferences. Get ready, Florida HOSA, because we will make this an unforgettable year filled with excitement and success!!! ©

## PATRICK DORAN - SOUTHERN VP, PS/C

Hello, Florida HOSAI I want to give a big thank you to all of our Sunshine State HOSA members for electing me as a State Officer. With the summer coming to an end, there are many great HOSA events to look forward to this year, with some location changes to be excited about. I hope everyone is as excited as I am about SLC 2013 being held where the past National Conference took place - the beautiful Coronado Springs Resort at Disney World!

We have a dedicated State Officer Team that is ready to serve our members. As always, we encourage you to voice your ideas and suggestions on how to make this member led organization better for everyone. HOSA is always adapting and growing to meet the demands of healthcare while preparing its members to be the best future health professionals they can be.

Don't forget to send in photos of your HOSA chapter and its accomplishments throughout the year so we can make an amazing HOSA scrapbook that will leave a lasting impression in the Florida HOSA archives. If you have any questions or would like a State Officer to visit your chapter, please contact the Florida HOSA State Office or have your advisor fill out a request form on the state website (www.flhosa.org) and send it in.

A little background about myself: I am a certified massage therapist and will be graduating from the Physical Therapy Assistant Program at Indian River State College in May. I will continue my studies at the University of Florida for my baccalaureate in athletic training next fall so if you have an interest in one of these fields, I will be more than happy to share my knowledge and experience. Let's work hard this year and continue to make an impact in the future of healthcare! Pick your competitive events early and start practicing so you can represent Florida HOSA at the NLC next June in Nashville, TN. Be ready for a fun filled year!

## ALEXANDER MANGAS - PARLIAMENTARIAN

Welcome back to another school year filled with possibility and opportunity, fellow HOSA members! With the end of the academic school year, last year's State Officer Team passed the torch on to the new State Officer Team; thank you to that team for their guidance and excellent example!

I, for one, am ecstatic about this new school year and all that lies ahead! I am a senior at Coral Reef Senior High School and I am honored to be serving you as a HOSA State Officer! I do not take the position you have entrusted to me lightly; I will continue to make HOSA paramount in my life.

This enthusiastic State Officer Team has some amazing things planned for the coming year. For example, this year's Leadership Development Conference, held at Camp Kulaqua, promises to be the best HOSA has ever seen. Also, the State Leadership Conference will

be held at Disney's Coronado Springs and it will be fantastic! I will be visiting many regions and chapters throughout Florida and hope to meet as many members as I can. This year with HOSA will be one to remember!

## NATIONAL HOSA WEEK

National HOSA Week is November 4<sup>th</sup> - 10<sup>th</sup> and its purpose is to encourage Health Science students to become contributing members of their communities through activities conducted during the week.

HOSA Week activities are designed to 1) provide school or community service, 2) promote opportunities in health care, and 3) show appreciation to the health care community. Activities are planned and implemented by chapter members and support the mission of HOSA throughout the school and local community.

What will your chapter be doing during HOSA Week? Start making your plans now!

Week 4 - 7

## THANK YOU

A very sincere thank you to all our outstanding advisors who were in Orlando at the National Leadership Conference helping to manage Florida's assigned events: CPR/ First Aid and Life Support Skills.

You made these events a success!!

We couldn't do it without you!!

## tanding State Leader

## STUDENT'S AND TEACHER'S CORNER

## UnitedHealth HEROES Service-Learning Grants

Grants of up to \$1,000 are available to youth-led service-learning projects in schools through Youth Service America (YSA). Application opens online September 4 and closes October 15, 2012. Visit <u>www.ysa.org/HEROES</u> for more information on this opportunity. The goal of the projects should be to combat childhood obesity and include components such as running, walking, etc. Each project will begin on MLK, Jr. day– January 21, 2013 and end on Global Youth Service Day (GYSD) April 26-28. Florida HOSA members, take on this challenge and make a difference in your community!

What is *service learning*? Simply put, it's a strategy of teaching and learning that integrates academic study with service to communities and culminating with reflection to strengthen communities and enhance learning. The service-learning project or activity has 5 stages: Investigation, Preparation & Planning, Action, Reflection, and Demonstration/Celebration. To download the *Semester of Service Strategy Guide* visit: http://www.ysa.org/resources. For resources on service-learning go to: www.gotoservicelearning.org and the National Service-Learning Clearinghouse: www.servicelearning.org.

Service-learning can be incorporated from elementary schools to higher education settings. For example, the **University of Florida's Center for Leadership and Service** on campus in Gainesville offers service-learning courses and many opportunities when it comes to involvement with the local community. Visit the Center's website at: <u>www.leadershipandservice.ufl.edu/</u>. At **Florida State University's Center for Leadership and Civic Education**: <u>http://thecenter.ez.fsu.edu/</u> you can find great opportunities to build your leadership skills and serve your community. Two of the many programs are: *Leadership Studies Certificate* (open to all undergraduate students) and *Service Scholars* (win recognition for your service achievements as incoming freshmen and prepare yourself to be a leader after you graduate). *Service Scholars* students are awarded scholarships as

well. If your passion is to help young students there are opportunities to tutor and mentor. Postsecondary students, seize those opportunities today and find out what your campus has to offer! You local HOSA chapter is a great way to serve your community or to partner with another student organization to make a difference.

## U.S. Department of Education Releases College Cost Data

The department has released lists so families can compare costs of institutions, public, private, etc. To view the list and generate reports visit: <u>http://collegecost.ed.gov/catc/</u> <u>Default.aspx</u>

## **Region VI Resource: The Education Foundation of Collier County**

The Education Foundation's website <u>www.educationforcollier.org</u> has various resources for students and educators. For example, students can search for volunteer opportunities, find internships and scholarships. What a better way to find about the various opportunities in healthcare! You can look what resources are available for your school/classroom or post what resources you need as an educator. This is where community needs and resources are matched.

## **Education Publications**

The paper *Common Core State Standards & Career and Technical Education: Bridging the Divide between College and Career Readiness* can be found at: <u>http://www.achieve.org/</u><u>files/CCSS-CTE-BridgingtheDivide.pdf</u>. The report provides insight on how to bridge the gap between academics and CTE while implementing the Common Core State Standards. Career and Technical Education has proven to prepare well students for both careers and college by combining rigorous academics and hands on experiential education.

13570 NW 101st Dr. Suite 200 Alachua, FL 32615

## Coming Soon...

LDC 2012

November 16-18 Camp Kulaqua, High Springs

Cost: \$130 per person Deadline to register : October 19

- Bring your leadership skills to a new level in the dynamic workshops
- Meet your new State Officer Team
- Mingle with middle school, high school and postsecondary members from all across Florida
- Advisor workshops with potential to earn Continuing Education Credits (CEUs).
- Bring money to "Dunk" and "Pie a State Officer" and raise funds for the Florida HOSA Foundation Scholarship
- Climb on the hay ride and have fun at the campfire
- Enjoy the beautiful fall foliage and scenery

Information will be posted to our website and mailed in September.

Register early - spots fill up quickly!

## THE NEW BRAND OF HOSA

Welcome to the future of HOSA! Our goals in developing a new logo for HOSA were to modernize the image, retain familiarity, and establish HOSA's identity. The new HOSA brand took careful thought and some bold moves. In our eyes, this new logo design represents the most natural evolution of the HOSA brand. Its modern type and stylish color palette give the brand a fresh face that will maintain its appeal among current and future generations of eager health science students, advisors, and our partners.

Of major note is the main word mark presented in lowercase. On the surface, this change creates a welcoming, organic look for the logo that conveys HOSA's connections to science and technology. But more than that, this step is crucial in establishing HOSA as its own word, and no longer an acronym. As we introduce HOSA's new identity, Future Health Professionals, it is important to move away from 'Health Occupations Students of America.' In lowercase, it is much less likely that the H, O, S, and A will stand out as individual letters. When written, we will use HOSA or HOSA - Future Health Professionals.

To support this change even further, our identity is positioned directly after HOSA so that it completes the natural eyeline, making it hard to miss. We've colorized 'Future Health Professionals' in maroon to empower students and remind employers that HOSA members leave the program ready to join the workforce and/or pursue further education.

Anchoring the logo is a simplified version of the HOSA emblem. The encircled triangle has long been the emblem of HOSA and is key in retaining familiarity and celebrating the organization's long history. The points on the triangle represent today what they did in 1976: the three aspects of humankind's well-being; social, physical, and mental.

The accompanying color palette and textures offer support to the logo by positioning HOSA as friendly and fresh. We chose colors that would feel crisp and clean and fit naturally into the health environment. The circles and dots further support the curvy and organic feel of the logo. Typography is kept lowercase as well, to support the friendly nature of the identity.

Stationery and marketing elements will feature these colors and shapes in a variety of ways to create a rich and vibrant system of collateral that stands out – reminding those who see it that HOSA is always moving forward.

So move forward with us as we take the organization into the new millennium with a crisp new identity for HOSA - Future Health Professionals!
