Why I Would Like to be a Florida HOSA State Officer:

As a freshman in high school, I decided to join HOSA-FHP.

Since then, I have grown into a completely different person

HOSA has broken me out of my bubble and has opened

a door to endless opportunities in my future. Through this

organization, I have learned the importance of following

your passion and the power of a student's voice, whether

it be to make a difference in our communities or worldwide.

As a State Officer, I would like to inspire, lead and guide

our members to reach for the stars, because, as members

of HOSA, we hold the power to shape our futures and progress towards tomorrow!
