Why I Would Like to be a Florida HOSA State Officer:

While HOSA has provided me with immense opportuni-
ties, experiences, and life lessons that have transformed
me into a healthcare leader, I am just not ready to say
goodbye to this organization. Serving as a state officer
this past year, I have come to realize that HOSA is much
more than an organization- it's a family. Simply put, I
want to continue giving back to the organization that has
given me so much. Moreover, I am dedicated to continue
servng the organization which has not only changed my
life but the lives of so many people around me.
