

VSLC 2021

PENNY WARS

This is a conference-based award and should not include proceeds from other HOSA Service Project fundraisers conducted throughout the year.

This is separate from the competitive event of “HOSA Service Project” so neither letters from the HOSA Service Project, nor copies of checks to the HOSA Service Project organization will be counted in the region’s Penny Wars total.

Only the checks sent to the Florida HOSA State Office made out to “*Florida HOSA*” and received by the deadline of March 19th (*not just postmarked – must be RECEIVED BY THIS DATE*), will be counted to determine the Penny Wars winner.

Please read the following information regarding the Penny Wars fundraiser.

1. Your school/region is to collect pennies as usual and save them in a container.
2. Turn pennies over to the Regional Advisor so that he/she can deposit them at the bank and have a check for the pennies made out to “**Florida HOSA.**” *The check must be received in the Florida HOSA State Office on or before Friday, March 19th.* The State Office will then deposit the funds into our account and write one large check to the HOSA Service Project organization - this year, Be The Match. We will still accept a check if it comes in after the deadline, but it will not be credited to your region.
3. The region with the highest total wins the Penny Wars Competition and will be recognized during the VSLC 2021 Recognition Session.

SAVE THOSE PENNIES!
