_____ (institution) (program)

Already accepted into program? YES NO

REFERENCES (include name and address)

1. _____

2. _____

MANDATORY ITEMS TO BE PROVIDED BEFORE APPLICATION CAN BE CONSIDERED:

___ Proof of HOSA membership for the current school year

___ Official transcript

___ Current grades

___ Letter of reference from HOSA Advisor

___ At least two letters of reference in addition to the letter submitted by the HOSA advisor.

___ Activities summary to include HOSA involvement, leadership activities, and community involvement.

___ Essay (350-750 words) describing why you have chosen a health career, occupational goals, personal goals, and other information such as financial need that may assist in the selection process.

PROCEDURE

1. The scholarship is available to any Florida HOSA, Inc. member who is either a senior secondary and/or postsecondary student who plans to continue on to a Florida postsecondary institution to enroll in a health science program. If you are planning to enroll in an educational institution outside of Florida or are not planning to enroll in a health science program, please be advised that you will not be eligible to use the funds.
2. The amount and number of scholarships available will be established by the Florida HOSA Foundation, Inc. Board of Directors and is based on the amount of interest earnings available through the investments of the Foundation and through donations made to the Foundation for the purpose of scholarships.
3. All applications, essays, and supportive material must be typed, grammatically correct, and complete for acceptance and review by the Florida HOSA Foundation Application Review Committee.
4. References should include individual's knowledge of the applicant's scholarship, leadership ability, use of inter-personal skills, character, and/or need for the scholarship.
5. The "Scholarship Application Form", activities summary, proof of membership, current grades and essay will be postmarked no later than February 15. If February 15 is a Sunday or legal holiday, materials must be postmarked by the first working day after February 15. It is the responsibility of the applicant to meet the deadline.
6. Supportive materials including transcripts and current grades must be postmarked by February 28. If February 28 is a Sunday or legal holiday, materials must be postmarked by the first working day after February 28. **Applicants are strongly encouraged to request transcripts and references in late January to avoid delays. If applicants are unable to turn in references by February 15th, they may send them to Kimberly Bland (not Judy Conlin) by February 28th at the address listed below.**
7. All mandatory items must be available by the February 28 deadline for the application to be considered for further review by the committee.
8. Mail ***only*** Transcripts and Current Grades to:
Judy Conlin, R.N.M.S.
State HOSA Foundation Manager
2774 Tallavana Trail
Havana, FL 32333
|
Mail application to:
Kimberly Bland
8530 Bunker Hill Road
Duette, FL 34219
9. The Application Review Committee will make the final decision on the selected scholarship candidates by March 15. The scholarship winner(s) will be announced at the annual Florida HOSA State Leadership Conference.
10. The monetary award will be forwarded to the selected Florida school upon documentation from the school that the recipient is currently enrolled in a health science related program of study for the academic year beginning with the fall semester.
11. Scholarship winners may apply for renewal by providing the same documentation as first-time applicants.

SCHOLARSHIP APPLICATION EVALUATION CRITERIA

Stage I. MANDATORY ITEMS

- All items are provided by deadlines Yes No
(Note: A NO answer in Stage 1 removes the application from further consideration)

Stage II. COMMITTEE RATINGS

- Each item has a weight factor that will be multiplied by the rating of the committee members. Rating values range from 0 to 5.
 - 0 = No Value. No information available to rate.
 - 1-2 = Poor. Establishes marginal to unsatisfactory meeting of the criteria.
 - 3 = Average. Established adequate capability to meet the criteria.
 - 4 = Good. Established an above-average capability to meet the criteria.
 - 5 = Excellent. Established an exceptional ability to meet the criteria and be a superior scholarship candidate in this area.

AREAS TO BE RATED

Transcript:

Secondary transcripts will be rated on honor/AP courses and grades, grades in health science courses, cumulative GPA and current grades

Postsecondary transcripts will be rated on health science courses and grades

Activities Summary:

Should be typed, comprehensive, and include the areas requested

HOSA Involvement:

To include event participation, leadership including offices, committee chairmanships, and community involvement

Other Leadership Activities:

To include leadership activities outside of HOSA and offices held in other organizations

Other Community Involvement:

To include number and variety of activities, recency of involvement, and volunteer hours

Essay:

To include reason to choose a health career, occupational goals, personal goals, and other information to help committee select the best candidate. The essay should be typed, exhibit proficient use of written communication skills, and be generally neat in appearance.
