Rhea Pitale
State President

For many of you, this is just the beginning. Know what you are working towards and your motivation will never waver. If your goals are easily attainable, aim higher. Immerse yourself in the HOSA community and push yourself to new heights. I have seen the caliber of our members during SLC, and I can’t wait to witness it again at the International Leadership Conference! Good luck to you all!

ANNNDAAAA THAT’S A WRAP!

Florida HOSA, you have met and far exceeded any expectations of conducting yourselves through an in-person State Leadership Conference. Your State Officer team enjoyed every interaction, photo, and conversation through the weekend. Thank you for believing in Team 21 and allowing us the chance to serve you! I saw passion, drive, and enthusiasm emanating from individuals preparing for competition and networking with peers. I am incredibly proud to congratulate everyone who attended, and a special congrats to those that qualified for the International Leadership Conference in Nashville, Tennessee!

This summer, from June 22-26, you will have the unique opportunity to meet peers from around the globe, attend HOSA University, check out the HOSA Expo, and put your best foot forward in competition. For more information, find the 2022 ILC Guide at hosa.org/ilc/. This conference will not just be a testament to your progress in your competitive event this year. The opportunities packed into these four days are endless, and I urge you to take advantage of them. Incredible workshops await your participation with lessons to take home to your chapter. The HOSA Expo will display intriguing possibilities and new technologies of this era. Most important of all, you will be surrounded by the next generation of healthcare. Your peers during these four days will have the same fire you possess, and I encourage you to network!

The SLC has come and gone, and we are thankful for the huge success that it was. One thing we gained from the SLC was a new and excited State Officer team ready to lead us through the coming year. As you all know, team building does not happen overnight. I am very excited to announce our new State Team: Parliamentarian - Adya Gulati, Southern Secondary Vice-President - Courtney Bauer, Northern Postsecondary Vice-President - Elliott Santaella Aguilar, Northern Secondary Vice-President - Chetna Movva, and our President-Elect - Abieyuwa Otote. I am very honored and thankful to be returning this year as our State President, and I cannot wait to see how we all grow as a team throughout the year! Speaking of growing as a team...

Team 22 will be attending the New Officer Conference at Florida HOSA HQ in Alachua. The purpose of NOC is for the new team to get to know one another, as well as participate in various leadership/team building activities. In a lot of ways, NOC is a diagnostic test of sorts. It allows State Officer teams to know what their collective strengths and weaknesses are. In order to be the best team for Florida HOSA, Team 22 will take the lessons we learn at NOC to heart and shatter all expectations! NOC would not be possible if not for the support of our amazing members! Florida HOSA, thank you for your support as Team 22 blossoms into the team you need us to be!

Team Twenty-Who?

The SLC has come and gone, and we are thankful for the huge success that it was. One thing we gained from the SLC was a new and excited State Officer team ready to lead us through the coming year. As you all know, team building does not happen overnight. I am very excited to announce our new State Team: Parliamentarian - Adya Gulati, Southern Secondary Vice-President - Courtney Bauer, Northern Postsecondary Vice-President - Elliott Santaella Aguilar, Northern Secondary Vice-President - Chetna Movva, and our President-Elect - Abieyuwa Otote. NOC would not be possible if not for the support of our amazing members! Florida HOSA, thank you for your support as Team 22 blossoms into the team you need us to be!

Jackson Beecher
State President-Elect
First things first, congratulations to the class of 2022 HOSA members! What an exciting time it is as you approach your last few weeks of senior year of high school. Although this year is coming to an end very quickly, there are still ways in which you can be involved in HOSA!

Check this out - our Florida HOSA State Association has numerous Postsecondary/Collegiate chapters at different colleges/universities around the state giving you the opportunity to still compete, attend conferences, and stay involved as much as you did in high school! Well, you may be wondering “What if the college/university I plan to attend doesn’t have a HOSA chapter?” All you need to start a new chapter is 5 members and an advisor. More information can be found at https://www.flhosa.org/resourcespublications/starting-a-chapter/.

But wait…are you interested in staying involved even after graduating from your postsecondary/collegiate institution?! Upon graduating you are able to register as a member of the Florida HOSA Alumni and Professional Association (FHAPA). FHAPA provides you unique opportunities to connect and network with Florida HOSA alumni, and participate in voluntary work such as judging and coordinating competitive events. FHAPA membership dues are only $10. For more information please visit https://www.flhosa.org/about-us/fhana/.

You can also register as an alumni member through the global HOSA website for free, https://hosa.org/alumni/.

For more information on staying involved after graduation, feel free to reach out to State Officers or the State Staff. It has been such an honor and privilege to serve you all this past year. Thank you, Florida HOSA!

China Simpo
State Northern Vice-President, Postsecondary/Collegiate

In All Things, Give Thanks!

A huge THANK YOU to our amazing advisors, to whom Florida HOSA is truly grateful. The endless advice and support that you provided before, during, and after the State Leadership Conference is truly invaluable. Behind every member of Florida HOSA is a phenomenal advisor who tirelessly contributes to this organization. Thank you for your encouraging words and unlimited enthusiasm. Thank you for devoting your time and energy to the organization. But, most of all, thank you for believing in us and being a guiding light every step of the way. Florida HOSA truly would not be what it is today without the advisors that make up the foundation of this organization.

As my term as State Northern Vice-President, Secondary comes to a close, I would like to extend a heartfelt thank you to the members and advisors of Florida HOSA. The memories that I have made and lessons that I have learned will remain with me forever. It has been an honor and a pleasure to serve you all!

Anyha Patidar
State Northern Vice-President, Secondary

"Throw kindness around like confetti."
Hi Florida HOSA! We were so happy to have been able to see you again at an in-person SLC! We are very grateful for all your hard work this past year, especially in support of our HOSA Service Project: *Be The Match*. This nonprofit organization runs the largest bone marrow registry in the world, helping blood cancer patients match with donors to get the lifesaving transplants they need. To learn more about the bone marrow donation process and what patients or donors can expect, be sure to visit [www.bethematchhosa.org](http://www.bethematchhosa.org) or @bethematch on Instagram!

Thanks to your contributions, the Penny Wars fundraiser at SLC was a success! In third place, raising $537.20 was the Space Coast Region! In second place, raising $600.95 was the Broward Region! And in first place, raising $1,320.77 was the *Treasure Coast Region*! At this year’s SLC we raised a grand total of **$3,176.07** to donate to *Be the Match*!

FL HOSA, thank you! Not only have your monetary contributions helped continue Be The Match’s mission, but your activism via social media has also greatly helped! Together, we have been able to raise awareness through multiple posts and fundraisers and we can’t wait to see what you all can do for our HOSA Service Project next year! Stay tuned to find out more information at ILC this year!

**Elliot Santaella**  
State Southern Vice-President,  
Secondary

**A Penny given. A Life Saved!**

Now that SLC is over, it’s time to hang up those medals and get ready for ILC. However, before you can walk the stage in Nashville, you must be aware of the ILC Dress Policy. Failure to adhere to the Dress Policy may result in restriction from competition or from entering General Sessions. The Dress Policy can be broken down into competitive events dress, general session dress, and official function dress. In regards to competitive events, competitors must adhere to the policy as specified in their individual competitive event’s guidelines. If those guidelines list clinical uniform as appropriate attire, the competitor may wear scrubs, clinical shoes/tennis shoes, or khaki pants with a polo shirt. If the guidelines list business attire as appropriate, competitors may wear the official HOSA uniform, blue or black suits, dresses, skirts, sports coats, or other general session dress (without the specific color restrictions). General session dress includes the official HOSA uniform or a black or navy suit and a white dress shirt/blouse with black or navy slacks/knee length skirt, with the maroon HOSA scarf or maroon/navy tie. In both options, dress includes closed-toe blue or black shoes and a navy or black belt. Official function dress, which requires appropriate business attire, is applicable during the HOSA Expo, workshops, and other social activities. Bonus points will be awarded for proper dress; for team events, all members must be properly dressed to receive bonus points. Members may not wear shorts, flip-flops, athletic clothing, tank tops, crop tops, sweatpants, or clothing with offensive printing. If you are unsure whether or not something is appropriate to wear, review the Dress Policy closely, ask your local/state HOSA advisor or do not wear that clothing. More details are available on the HOSA website under the “Conferences” section in the “International Leadership Conference” tab on page twenty-four of the “2022 ILC Guide”. For more event-specific dress code information, please review the “Guidelines” page under the “Competition” section of the HOSA website.

We at Florida HOSA cannot wait to see our incredible members looking sharp at ILC this June!

"Your hardest times will often lead to the greatest moment of your life."
~ Toby Mac, Singer & Songwriter
The 2022 Florida HOSA Honorary Lifetime Member Award

This prestigious award was presented to three extraordinary people during the Recognition Session at the State Leadership Conference.

Miriam Mella retired five years ago after 22 years of service - of which all 22 years she had been the main HOSA advisor and academy leader at her school (William H. Turner Tech). She had been very active in attending not only Gold Coast Region (7) activities, but also Camp Kulaqua, State Conferences and National/International Conferences. She has continually assisted with competitive events at the State Conference for more than 16 years.

Harrison Bashner is a current member of the SLC Security Team. He has assisted with SLC security for approximately 24 years since SLC 1997.

Mark Barnwell is a current member of the SLC Security Team. He has assisted with SLC security for approximately 20 years since SLC 2001.

Florida HOSA would like to extend a very sincere and heartfelt "Thank You" for their loyal support to our organization and its members! We truly appreciate everything each of you have done for us!
Florida HOSA greatly appreciates the time and effort each advisor puts forth every year to see our members success. Indeed, Florida HOSA would not be one of the leading State Associations it is today without its talented and passionate advisors. Because our members also recognize the impact advisors have on students’ lives, many of them nominated their advisors for these awards. While each Florida HOSA advisor is certainly deserving, our Outstanding Advisors this year are:

**Outstanding Secondary Rookie Advisor:**
Kristen Jenkins
Jupiter Medical Center Academy

**Outstanding Chapter Advisor Postsecondary/Collegiate:**
Emlyn Anderson
Indian River State College

**Outstanding Chapter Advisor Secondary:**
Patricia Dodson
Middleton Senior High

**Outstanding Chapter Advisor Middle School:**
Kailee Upshaw
South Sumter Middle School

---
