

1. Candidates download the application from the state website and complete it, then mail it into the State Office postmarked by the published deadline. Each active chapter may endorse no more than three (3) active HOSA members as State Officer candidates. The positions for which a candidate may be slated are: President-Elect, Parliamentarian, or Vice-President (Northern/Southern, Secondary/Postsecondary). Candidates must be an active member of their local HOSA chapter in good standing, must be endorsed by the Chapter Advisor, school principal (Dean for PS/C candidate), and parent, and must have and maintain a District and State Grade Point Average (GPA) of 2.5 or higher.
2. The State Advisor will review all received candidate applications prior to the State Leadership Conference to verify that the application is complete. A letter will be sent to each candidate detailing any missing items, as well as providing further details about the process.
3. State Officer candidates must be registered to attend the State Leadership Conference by the published registration deadline. At the SLC, members of the Interview Committee will administer the officer candidate written examination with the top candidates participating in interviews. After interviews are completed, the Interview Committee will then determine the final slate of candidates for each office. Candidates that are slated for one of the officer positions after interviews have been completed must be present at the State Officer Candidate Meet & Greet where candidates will take turns answering questions individually in a group presentation format to the assembled Voting Delegates.
4. Officer candidates slated for each office are permitted to address the Voting Delegates during the Business Session; candidates must not inquire about, address, or talk to Voting Delegates except during the Meet & Greet and the Business Session. The Voting Delegates are appointed by the Regional Advisors. A candidate may only address the Voting Delegates for three (3) minutes or less during the Business Session with their speech, plus up to one minute in an extemporaneous format in regard to an object the candidate has been given while on stage. No props, pictures, or other visuals will be allowed during the candidate's speech. Verbal campaigning is allowed - no campaign materials are permitted.
5. The introduction and installation of the newly-elected State Officers will be conducted during the Recognition Session at the State Leadership Conference; all newly-elected State Officers must be present. Failure to be present at the Recognition Session if announced as a new State Officer may result in being removed from office.
6. A brief orientation meeting for the newly-elected State Officers will be scheduled for the morning of the last day of the State Leadership Conference and will last about one (1) hour. Please refer to SLC Agenda.
