Why I Would Like to be a Florida HOSA State Officer:

Hosa represents the intersection of all the pieces
that bring out the best in me. From competition to
all the friends that I made, running for state officer
represents a new "piece of that puzzle"... leadership.
I've been lucky enough to have been able to lead my
chapter and while the entire state of Florida is an
entirely different beast, my past experiences can be
translated to this if I am elected as a state officer
placing the needs of the state over my own benefit.
