Why I Would Like to be a Florida HOSA State Officer:

Being a Florida HOSA state officer would help me give back
to an organization that has shaped the person I am now.

HOSA taught me leadership from learning about the
innerworkings of HOSA through chapter and regional
positions. But I want to "Beyond All Limits." I want to further
use my leadership skills to help members and chapters across
the state. Through the leadership conferences I've been able to
make memories that has inspired me to partake in new
leadership positions to help put my new ideas into practice. I
want to help innovate HOSA and take it "Beyond All Limits."
