Why I Would Like to be a Florida HOSA State Officer:

I would like to serve the organization that helped me become who I am today, as well as gain new leadership skills. Since joining HOSA 4 years ago, I've gained more confidence and more skills. I have also made new friends, memories, and experiences that wouldn't have been possible without HOSA. I see becoming a Florida State Officer as an opportunity to learn from like-minded people and improve myself so I can ultimately become a better leader and a better future healthcare professional.
