Why I Would Like to be a Florida HOSA State Officer:

I feel like I would be able to work with a bigger
community of people that think exactly like me
as well as support and collaborate with them to
improve Florida HOSA in any way that I can. It
will teach me more about the importance of
Servant leadership, and how to be more of an
effective leadership, not just a "boss." Also, I can
learn about the field of study I want to, while
making friends and assets along my journey.
