PASSING THE TORCH

The Florida HOSA State Office would like to express extreme gratitude to our 2022-2023 State Officer team as they pass their torches to the newly elected 2023-2024 team. Team 22 displayed professionalism, excitement, and fortitude throughout their term, and we couldn't be more thankful for their dedication to Florida HOSA.

As the 2022-2023 HOSA year comes to an end, we would like to kindly welcome our new 2023-2024 State Officer team!

State President - Rishab Talwani
State President-Elect - Yashvi Purohit
State Northern Vice-President, Secondary - Trisha Sakamuri
State Southern Vice-President, Secondary - Chloe Vong
State Parliamentarian - Ron Thomas

This team of five is extremely passionate about our organization, the future of healthcare, and, most importantly, YOU – our Florida HOSA members!

Jackson Beecher
State President

Florida HOSA, you have once again gone beyond all limits at this year's State Leadership Conference. The conversations we had, the photos we took, the memories we made, connected the State Officer Team to the members, and we enjoyed interacting with each and every one of you. I am truly grateful to have been able to witness the immense zeal, enthusiasm, and tenacity exhibited by such hardworking individuals dedicated to becoming the future healthcare leaders of the world. As I congratulate everyone who was able to attend this conference, I also want to say how inspired I am by the healthy competition and networking with members across the state. SLC is a wrap, but to those who qualified for the International Leadership Conference in Dallas, Texas, a very special congratulations as you begin the next chapter of your HOSA experience.

The 46th annual International Leadership Conference will be taking place from June 21-25, 2023 at the Dallas Convention Center. There you will have endless opportunities to fire up your competitive spirit, network with your HOSA peers from around the world, attend the HOSA Expo and HOSA University, and explore the beautiful city of Dallas. I urge you to make the most of your time there, soaking in as much HOSA as you can, while you surround yourself with like-minded individuals, the technology of the future, and boundless possibilities. More information regarding the 2023 ILC can be found at <https://hosa.org/ilc/>.

Team 22 is beyond excited to be able to see you again at the International Leadership Conference this year! We wish everyone the best of luck!

Hey, Florida HOSA! At SLC this year, we competed in Penny Wars to fundraise for HOSA's Premier Service Project, Be the Match! Be the Match is a nonprofit organization that works to give patients with threatening blood disorders life-saving treatment by matching with donors across the globe. This incredible organization holds the largest bone marrow registry in the world and invests in research to develop services that accelerate the transplant process. To find out more about Be the Match and how to register as a donor, visit <https://www.bethematchhosa.org/>.

Because of your contributions, Penny Wars was a huge success this year! The Heartland Region received third place with \$345.52! The Space Coast Region came in second place with \$448.62! And in first place... drumroll please... was the Sunrise Region with \$639.31! At SLC this year, we raised a total of \$2,369.78 for Be the Match!

Thank you for your contributions! Not only have you all raised thousands of dollars to donate to matching patients with life-saving donors, but many of you have also registered as donors yourselves! Thank you again, Florida HOSA, for your continued efforts and dedication in serving the community!

Hello, Florida HOSA! We hope SLC was as memorable and exciting for all of you as it was for us - but that entire experience would not have been possible without our amazing advisors!

Advisors - this is a personal thank you to all of you who work tirelessly to support the next generation of health professionals.

Dear all Florida HOSA Advisors,

Congratulations on an incredibly successful HOSA year! Your students have worked hours to study, practice, and stress (a healthy amount) for their competitive events. But now that SLC is over, you can finally sit back and relax!

This SLC, you not only gave up a weekend, but offered to assist with competitive events, and helped immensely in making sure the conference went smoothly. From all of us at Florida HOSA, we absolutely could not have done it without all of you!

Thank you for all that you do, especially for your students. All the countless hours you put in to see your students succeed and prosper is a selfless quality that can't ever be properly quantified. We thank you for being a beacon of support and endless encouragement for your students. Your hard work truly brings out the best in all of us, and motivates us to continue on our chosen paths.

From the bottom of our hearts, we appreciate you and all that you do!!! Thank you again for yet another fantastic HOSA year!

Chetana Movva
Northern Vice-President,
Secondary

Elliot Santaella Aguilar
Northern Vice-President,
Postsecondary

Florida HOSA... let's give it up for our graduating HOSA members!!! We are so proud of all your accomplishments! Whether you just finished middle school, high school, or college, your HOSA journey isn't over. For the graduating 8th graders, we hope you join the HOSA chapter at your future high school, if it has one. If not, we encourage you to start one! For the graduating high school seniors, did you know that our State Association has many Postsecondary/Collegiate chapters throughout the state?! This means you can still compete, attend conferences, and stay involved in HOSA just like you did in high school! Again, don't worry if the institution you plan to attend doesn't have a chapter... starting one only requires 5 members and an advisor! Feel free to visit <https://www.flhosa.org/resourcespublications/starting-a-chapter/> to see how to start one!

Once you graduate from high school or college, we encourage you to register as a Florida HOSA Alumni and Professional Association (FHAPA) member. FHAPA provides unique opportunities to network with Florida HOSA alumni, volunteer as a judge, facilitate workshops, and more! For more information, please visit <https://www.flhosa.org/about-us/fhapa/>. You can also register as an alumni member for free through the Global/National HOSA website at <https://hosa.org/alumni/>.

If you have any questions about staying involved after graduation, please don't hesitate to reach out to your State Officers or State Staff. Serving you all this past year has been an absolute honor and privilege, and we cannot wait to see what your future holds beyond your time as a HOSA member!

The official, detailed guidelines can be found in the HOSA-Section B Appendices, but here is a rundown of some things you need to know regarding ILC attire.

During the General Sessions, you are required to wear either the official HOSA uniform OR a black/navy blue suit with a white dress shirt/blouse, black or navy slacks/knee-length skirt, close-toed black/navy shoes, maroon/navy tie, and a black/navy belt. During competitive events, members must adhere to the policy that is specified in the individual competitive event guidelines for the event in which they are competing. If the guidelines identify business attire as appropriate, competitors have the option to wear the official HOSA uniform, a black/navy blue suit, or any other appropriate business attire. If the guidelines identify clinical uniform appropriate to the occupational area for skill events, members are allowed to wear scrubs or khakis with a polo top. During workshops, the HOSA Expo, and social activities, appropriate business attire is also required.

Members are not allowed to wear denim, tank/tube tops, crop tops, t-shirts, sweatpants, sheer clothing, or clothing with offensive print. When in doubt, do not wear it. If students are not in the designated attire as per the Dress Code Policy, they may not be permitted to compete, turned away from entering General Sessions, or withheld from walking on stage to receive their award.

We are looking forward to seeing you all dress for success at the International Leadership Conference in Dallas next month!

What you wear is how you present yourself to the world.

Recognition Session Awards

The 2023 Florida HOSA Honorary Lifetime Member Award

This prestigious award was presented to two remarkable people during the Recognition Session at the State Leadership Conference.

Pam Rahn (R. Dan Nolan Middle School) has been serving the Florida HOSA community for over 14 years! She is a passionate HOSA Advisor who stresses professionalism, accountability and dedication. Pam lends her leadership as the Gulf Coast Middle School Regional Advisor and active Florida HOSA Board member, as well as volunteering for additional duties as needed including serving on the Florida HOSA Executive Committee and managing competitive events at the State Leadership Conference.

Mandy Memolo joined the Florida HOSA State Office in 2017 and since then has enthusiastically and consistently supported our Florida HOSA advisors and chapters throughout the state, always in a pleasant and friendly manner. She demonstrates professionalism in learning new aspects of her job in support of the state office and with her involvement with Global/National HOSA. She is dedicated to the HOSA mission and promotes Florida HOSA passionately.

Outstanding Advisors of the Year

Florida HOSA greatly appreciates the time and effort each advisor puts forth every year to see our members succeed. Indeed, Florida HOSA would not be one of the leading State Associations it is today without its talented and passionate advisors. Because our members also recognize the impact advisors have on students' lives, many of them nominated their advisors for these awards. While each Florida HOSA advisor is certainly deserving, our Outstanding Advisors this year are:

Outstanding Rookie Advisor Middle School

Claudia Walden
Howard D. McMillan Middle School

Outstanding Chapter Advisor Middle School

Dr. Latonya Gibbs
Horace Mann Middle School

Outstanding Rookie Advisor Secondary

Elizabeth Woodward
Ida Baker High School

Outstanding Chapter Advisor Secondary

Amanda Lyden
South Sumter High School
