### Why I Would Like to be a Florida HOSA State Officer:

With my life being influenced by all things medicine through both my condition  
and my passion for healthcare, I would be honored to become a State Officer to  
support the students of Florida HOSA and be a representative for the community  
that taught me confidence, inspired the drive I have today, and furthered my  
desire to give back. From the hospital to HOSA, creating an impact and fostering  
service to charitable causes are goals I could expand upon as a State Officer. I  
would be able to learn and adapt to new responsibilities and honors while bringing  
a unique patient perspective and optimism to guide Florida HOSA in its  
continuous success, teaching me new skills and opening doors to further learning.
