Why I Would Like to be a Florida HOSA State Officer:

HOSA has granted me with so many opportunities in the medical field, whether it's leadership, making lifelong connections, discovering my career goals, or obtaining experience in high school. I'm forever thankful for having access to such a rich technical education and community of like-minded peers. I believe in all that the organization stands for and hope to not only continue HOSA's message, but give back to students across Florida during my service as a state officer.
