Why I Would Like to be a Florida HOSA State Officer:

I joined HOSA looking for opportunities to explore new avenues in
health care field. I was hoping to expand my knowledge about
health care careers in a fun and interactive setting. HOSA kindled
in me a passion for medicine and provided me with the platform
to improve my knowledge about the health science field.
Becoming a HOSA district officer would enable me to further
enrich my experiences, strengthen my leadership skills, and share
my experiences with new members and peers who are interested
in joining the health care arena.
