**Why I Would Like to be a Florida HOSA State Officer:**

From the moment I became an involved member in my sophomore year, HOSA has given me so much. This includes opportunity, leadership skills, structure, and genuine happiness. Being a student leader through the offices I held showed me how much more involved I get to be with members when I'm a HOSA officer. I aim to be a state officer because I want to reach out to those members who aspire to network, compete, and serve their communities by elevating their experience.
