**Why I Would Like to be a Florida HOSA State Officer:**

Serving on Team 24 has forced me to grow as a leader at an exponential rate. Because of this, I also know that I have so much more left to learn from and give to FL HOSA. As a State Officer, I can share advice and resources with utmost accuracy straight from the source while reaching the widest audience possible -- a unique privilege to support the members who have already given me so much.
