Why I Would Like to be a Florida HOSA State Officer:

Since joining HOSA, it has been such a transformative experience for me. As a State Officer, I would have the opportunity to help others discover the same confidence and self-acceptance that I have through the organization. Beyond personal growth, I'm eager to give back to an organization that has shaped me into the person I am today. The opportunity to serve in this role would allow me to support and uplift fellow members while continuing to grow in the process as I move into a new phase of my life.
