**Why I Would Like to be a Florida HOSA State Officer:**

HOSA has played a developmental role in creating who I am today.

I have been given the opportunity to network with people from around the world, which has fueled my passion for medicine. This journey in HOSA has not only helped me find my pasison but, instilled confidence to take the first step in uncomfortable situations.

HOSA has guideded me to mentors and towards my personal aspirations. I am excited to give back to this organization which has had such a profound impact on who I am today.
