Why I Would Like to be a Florida HOSA State Officer:
I want to be a Florida HOSA State Officer because HOSA has given me confidence, growth, and lasting connections, and I'm eager to give back. I've learned what it means to lead, serve, and overcome challenges, and I want to inspire others to do the same.
As a State Officer, I'd love to create a space where members feel supported, motivated, and excited about their future in healthcare. I believe in the power of community and want to help students discover their passion and reach their full potential through HOSA. I also want Florida HOSA to stand out as a shining example for other states.
