23-24 Science National Honor Society President

Why I Would Like to be a Florida HOSA State Officer:
 During regionals at HOSP in 2023, I met a state officer named Adya. I thought she was the coolest person ever and she told me all about HOSP state officers. In that moment I was inspired. She was so charming and kind that she inspired me to apply. I knew back then that I wanted to be like her: inspire other members in the new generation of HOSA. When I think of high school, HOSP plays a crucial part as many of my friends were made from the events and states. To meet so many different types of people and to be able to share just a simple love of HOSP is so powerful. I want to share this love of HOSA while being on that stage. I want to continue inspiring the new generation of members to eventually want to stand on the same stage. Florida HOSA has given me so many memories, lessons, and stories that make me the person I am today. It's time I give something back.
