Application for Charter:

- At least five (5) students plus the chapter advisor are needed to establish/maintain a HOSA chapter.

*The password is confidential and only for the chapter advisor to log into HOSA's online system; students should never have the password and are not permitted to log into HOSA's online system.

Competitive Events

- [A comprehensive list of events is on the Global/National HOSA website.](#)
 - Click on each event name to download specific guidelines well before the Regional CE Conference so the advisor and competitor may know how the event is managed, the dress code, how to study/practice/rehearse/ research, and the areas in which the judges will rate the competitors.
- Guidelines are revised/updated each July/August and posted on September 1st with the date printed at the bottom. New events are also posted then.
- Members may compete in only one regular competitive event, plus as many "Recognition Category" events as they like.
- Four designated events (Personal Care, Life Support Skills, Interviewing Skills, & Speaking Skills) are specifically for secondary students classified under the Individuals with Disabilities Education Act of 1997 - Amended (IDEA).
- Use [Florida HOSA's Ultimate Competition Toolkit](#) to select a competitive event
- Find which competitive event is right for you:
 - [Middle School Version](#)
 - [Secondary and Postsecondary/Collegiate Version](#)
- Verify with your Regional Advisor early (Sept./Oct.) that the chosen competitive event is offered at the Regional CE Conference and State Leadership Conference.
