Why I Would Like to be a Florida HOSA State Officer:

I would like to be a Florida HOSA State Officer because, I want to be give back to the organization that has shaped a great part of who I am today. Through HOSA, I have learned lessons from people of all ages that have taught me how to handle different moments throughout my life from their experiences. As a member of HOSA since middle school, I knew from the day I first went to a state conference I wanted to run for and serve an organization that would hold a bright future for me.
