**Why I Would Like to be a Florida HOSA State Officer:**

I believe that I can do the best through State Office. I was completely against being a doctor before joining HOSA. After I had joined HOSA, I knew I wanted to go into the medical field. HOSA showed me the umbrella of careers that is the medical field. I want to share that and help other lost students find their spark in the health sciences field. I truly adore this amazing organization. I want to grow with it and improve it to the best of my abilities. I have so many ideas that have the potential to help members succeed. I believe I would be a great fit for State office, my leadership and skills, such as fundraising, can help Florida HOSA grow in members and add to what the current State Officers have achieved.
