Why I Would Like to be a Florida HOSA State Officer:

From the very first HOSA meeting I attended in 6th grade, it's been clear to me that HOSA was somewhere I belong. As I attended my very first SLC as a 12 year old, I remember watching the state officer team with such admiration. I've had one goal since then: become part of organization bigger than me. HOSA has been a pillar of my life for years, a place that I know I fit into and cherish with all my heart, whose purpose and message represents me. I've always been someone dedicated to helping others. As a Florida HOSA State Officer, I want to give back to the organization that has given lifelong friends, core memories, and lessons that make me who I am today. I want to become part of the HOSA background and help out in the parts of HOSA that the regular doesn't see.
