Why I Would Like to be a Florida HOSA State Officer:

I would like to serve as a Florida HOSA State officer in return for HOSA truly being the most impactful experience in my high school journey, shaping both my passion for the healthcare field and my dedication to serving others. Through my leadership, teamwork, and competitions I have directly seen how HOSA can empower students to grow into the compassionate future health professionals we need. I am deeply driven by helping others in this process of growing and I want to help strengthen the sense of community which takes credit for why HOSA is so impactful. Serving as state officer would allow me to give back to the organization that has shaped me for the better throughout high school while also taking on a larger responsibility to lead, serve, encourage, and inspire others.
