Why I Would Like to be a Florida HOSA State Officer:

I would like to continue to serve as a Florida HOSA State Officer because this organization has truly changed me both as a leader and an individual. Because of the large impact Florida HOSA has made on me, I aspire to continue to serve with compassion and the motivation to lead Florida HOSA to its fullest potential. From the late-night virtual meetings to hosting the 4th FLDA workshop of the day, although it was not easy, it was all worth it when I realized that every exhausted moment, every sacrifice, and every ounce of hard work had come together to create something meaningful that truly inspired and uplifted others. What started as a dream to serve as a State Officer became a reality, and I am truly grateful for the experience, memories, and lessons gained. Being able to serve and build meaningful relationships with over 22,400+ Florida HOSA members makes hosting a webinar, despite having a 103-degree fever, all worthwhile.
