2024 2nd Place State: Florida Commission on the

2022-Present Science Olympiad 2nd, 3rd, 4th Place; 6X Event

Why I Would Like to be a Florida HOSA State Officer:

I want to be a Florida HOSA State Officer because HOSA has continuously shaped my passion for healthcare through hands-on experiences and leadership development. Through initiatives like NMDP, I have seen how student-led advocacy work directly impacts lives, inspiring me to take action. Within the Heartland Region, I have had the privilege of working with driven members who push themselves to grow as leaders and contribute to meaningful opportunities within the healthcare field. As a state officer, I want to expand that level of passion and impact to members across Florida, helping them feel inspired to explore their own potential. I want every member to see HOSA as a community where they can grow, meet like-minded individuals, and make a meaningful impact, and I am eager to dedicate myself to creating that same sense of community across Florida!
