Why I Would Like to be a Florida HOSA State Officer:

My candidacy is rooted in my belief in the promise that every HOSA Member possesses the potential to be a great leader and become a Future Health Professional. Having served as a chapter Founder and president, I understand the strategic precision that is needed for a chapter to be successful as a group and to have an impact in the community. However, the gratitude to receive health-related awards does not just come from my rigorous academic trajectory, but from how HOSA empowers students to master both sides of the world, clinical precision, and the sense of community. As a State Officer, I want to lead with a Dynamic foundation for all our members in order to support chapters across the state and translate members' aspirations into tangible achievements.
